Ceiling Pull Cord LED Dimmer switch Item NO.: D029

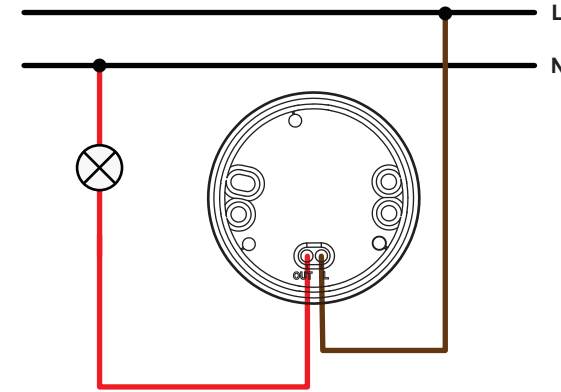

- ① Light off memory
- ② Over current protection
- ③ Over-temperaure protection

1. Technical Data

Model No.	D029	
Description	Ceiling Pull Cord LED Dimmer switch	
Input Voltage	220-240V	
Input frequency	50Hz	
Load	LED	5-100W
	Incandescent	5-150W
	Halogen	5-150W
Dimming mode	Trailing edge	
Control Way	One way	
Material	Heatsink	Aluminum
	Bottom Case	PC
Color	White	
Weight(g)	76.9	
Dimension(mm)	Φ72.96*34.5mm	

2. Dimmer wiring diagram
